APARTMENT IN PRIVATE CONDOMINIUM IN FRONT OF THE RIVER IN QUINTA DA TRINDADE

In front of you, just the tranquility of the river. As close to Lisbon as you can want to be, without giving up your own space, RIVA is in precisely the right place, bridging the boundaries between comfort and convenience.

Idyllically located on the first river line, overlooking the Tagus, the views over Lisbon are unrepeatable. Those who believe that “closer to the sight, closer to the heart” will not be disappointed either — the central garden is also an authentic invitation to leisure and serenity.

With various services and facilities available such as:

- Household appliances with high energy efficiency and water performance.

(* Consult available options, they may vary depending on the typology and fraction.

With a wide variety of equipment for your well-being, when we talk about equipment, we talk beyond your apartment. Inside or outside, there are countless options for living longer and better, every day.

Surrounded by orchards and a surrounding garden, you will find an outdoor pool with a waterfall for adults, a pool for children, sun deck areas to enjoy the sun, a pit fire to enjoy the sunset, an outdoor workout space and a prepared children's playground. for all your children's games.

Inside, the condominium offers several exclusive equipment and services, such as reception, lounge, co-working space, cinema room, gym and sauna. Everything you want happens in the safety and comfort of your home.

Seixal enjoys unique tranquility. Side by side with all the resources necessary for family life, the riverbank offers a setting for daily walks along the bay and a backdrop for the city's many sought-after restaurants.

Seixal is also marked by its varied gardens and spacious urban parks, and by the familiar river beaches that flank the city to the North.

Inserted in Quinta da Trindade, these properties are part of a new residential proposal where everything is offered in the convenience and comfort of your neighborhood. As this is a new center, with downtown Lisbon accessible by boat (16 min.), RIVA takes on a new centrality and offers you a different way of living your daily life.

By car, the center of Lisbon is 25 minutes away, and it is also possible to use the train, via the nearby Fogueteiro station, served by regular buses, which provides all connections between the main stations of Lisbon and Setúbal.
